# **Directory of Unions and Associations with Exclusive Recognition in the Federal Service**

This directory lists national and international unions and associations which have, either directly or through local units, exclusive recognition with departments and agencies of the Executive Branch of the Federal Government and the U. S. Postal Service. The abbreviations used are, in most instances, the official ones for these organizations, and are used in Office of Personnel Management reports and publications.

The listing is in alphabetical order by abbreviation of the organization name. Listings for the U. S. Postal Service and the Metal Trades Department (AFL-CIO) are found on the last few pages.
